Welcome to Bertie County Peanuts!

We're asked a lot about what makes our peanuts so good. Aside from our years in the business (we have been around for over 100 years!) we need to give a lot of credit to Mother Nature. The town of Windsor is located in Bertie County, NC, and is surrounded by beautiful waterways. These waterways create a rich fertile, sandy soil just right for growing some of the best peanuts in the country.

We are proud of our products and hope you enjoy them as much as we do!

BLISTER FRIED PEANUTS

The nut that started it all...and they just keep getting better and better. Our Blister Fried Peanuts are cooked in small batches so that we can achieve the perfect peanut taste. Lightly salted and packaged in a tamper-proof recyclable plastic jar with our signature red and gold foil label, these peanuts are a gift everyone is tickled to receive.

*"I am a peanut nut...
so to speak...the blister
fried peanuts are the

Peanut Treats

BUTTERSCOTCH COVERED PEANUTS

Our Great Aunt Prudence Stokes inspired this sweet, peanuttty treat. Combining our Blister Fried Peanuts with the goodness of smooth butterscotch for a sweet down-home taste, makes these butterscotch candies irresistible.

OLD FASHIONED PEANUT BRITTLE

Did you know that there are more peanut brittle recipes than there are trees in the woods? Wow! We have tried dozens of everyone’s favorite brittle and this recipe is by far the best we have ever tasted. Fairly thick but full of air! Crumbly and not hard. And our farmer customers say it reminds them of the brittle their Mother used to make. We hope you like it as much as we do!

HONEY ROASTED PEANUTS

Honey Roasted Peanuts are found just about everywhere you find peanut snacks. But, they're not all the same —some are too salty, some are too sweet, and some are even overdone. We think ours are perfect! We take extra-large peanuts and coat them with a very precise mixture of salt and honey to create a truly fantastic treat.

"Outstanding flavor, my favorite after the original blister-fried, salted peanuts. Just the right amount of salt, a touch of heat, and delicious smokiness."

ROANOKE REDSKINS

Back when Papa Jack began cooking peanuts in his popcorn popper, he didn't realize how popular his recipes would become. Reintroducing his recipe for his **original redskin peanuts**. It's a different flavor and texture—extra salty with an earthy, roasted flavor but we know you will enjoy the traditional taste of these local favorites!

SEA SALT AND BLACK PEPPER PEANUTS

We like to keep things simple here in Bertie County. In our minds it doesn't get much more simple than "salt and pepper". We added a "salt and pepper" blend to our Blister Fried Peanuts, and we were right — it is mighty tasty.
